

**3rd International
Symposium on
Pharmaceutical
Engineering Research**

SPhERe

SAVE THE DATE
25 – 27 September 2019

TU Braunschweig, Germany

KEY TOPICS

- Production Processes for Biological and Chemical API
- Advanced Design and Processing of Liquid and Solid Preparations
- Microsystems for Analytics, Screening and Continuous Processing

HOT TOPIC

**Cannabis for Medicinal Use –
Production Challenges and Legal Requirements**

VENUE

Technische Universität Braunschweig
Center of Pharmaceutical Engineering
Franz-Liszt-Straße 35A • 38106 Braunschweig • Germany

SCIENTIFIC COMMITTEE

Andreas Dietzel • Arno Kwade • Gerlinde Benninger •
Heike Bunjes • Ludger Beerhues • Stephan Scholl (chairman)

SPhERe

SAVE THE DATE

25 – 27 September 2019
